

# Administrator Manual

This manual will guide you through actions related to the maintenance of an OpenBACH platform :

- List, Add, and Remove agents;
- List, Add, and Remove jobs from the controller database;
- List, Add, and Remove collectors;
- Manage Users rights.

This can be done via :

- a Web Interface (see the [Web Interface Administrator Manual](#));
- a Command Line Interface (see the [Command Line Interface Administrator Manual](#)).
